📄 PROFILE

Physician-scientist with 20 years of experience in decision-analytic modeling, cost-effectiveness analysis, and health technology assessment, combined with a decade of clinical practice as a hospitalist at Massachusetts General Hospital. Currently a doctoral research fellow in health economics at the University of Oslo, working on economic evaluation and biomarker modeling in precision oncology. Author of 65+ peer-reviewed publications; long-standing editorial roles at Value in Health, PharmacoEconomics, PLOS ONE, and PLOS Digital Health.

🧠 CORE SKILLS

Decision-analytic modeling

Markov, microsimulation, first- and second-order Monte Carlo; TreeAge, R

Economic evaluation

Systematic reviews and evidence synthesis

Machine-learning applications in medicine

Agentic coding

A.I pipelines

Inpatient clinical medicine

Teaching and research supervision

Languages

German, English

🏢 EXPERIENCE

University of Oslo

Doctoral Research Fellow, Health Economics

2023 – Present | Norway

- Economic evaluation of immune checkpoint blockade in metastatic colorectal cancer (METIMMOX trial); methods research on expert elicitation and multi-biomarker modeling; oral/poster presentations at ESMO, ISPOR, and SMDM.
- Teaching in the master's program in health economics (Economic Evaluation II; research internships).

Massachusetts General Hospital

Attending Physician

2015 – 2024 | Boston, MA

Attending on direct-care, resident, and medicine consult services; on faculty at Harvard Medical School; quality-improvement work.

Wing Tech Inc.

Senior Consultant, Health Economics

2009 – 2020 | Menlo Park, CA

Led decision-analytic and budget-impact modeling for medical device technologies (renal denervation, TAVI, peripheral interventions, sleep apnea neurostimulation) supporting reimbursement and HTA across the U.S., Europe, and Asia-Pacific.

New York University School of Medicine

Resident, Internal Medicine

2012 – 2015 | New York, NY

Massachusetts General Hospital

Research Fellow, Decision Science

2006 – 2010 | Boston, MA

Adjunct/visiting: Associate Professor (adjunct), Flinders University (2019–2022); Lecturer (adjunct), University of Adelaide (2017–2020); Visiting Researcher, LMU Munich (2020–2021).

🎓 EDUCATION

Ph.D., Health Economics

2023 – Present | University of Oslo, Norway

Master in Public Health

2008 – 2009 | Harvard School of Public Health

M.D.

1998 – 2006 | Charité – Universitätsmedizin Berlin

📜 LICENSURE AND CERTIFICATION

Medical licenses: Germany (2006–), Norway (2022–), Massachusetts (2015–2025). Diplomate, American Board of Internal Medicine(2015–2025).

🏆 SELECTED HONORS

ISPOR Distinguished Service Award (2017); Official Runner-up, Parmley Prize, American College of Cardiology (2012); DAADscholarships (WHO 2003; Harvard 2008–2009); Ferring Award, Karolinska Institute (2002); elected Fellow, American College of Physicians and Society of Hospital Medicine.

📖 PUBLICATIONS AND EDITORIAL ROLES

65+ peer-reviewed articles (incl. J Am Coll Cardiol, JAMA Netw Open, EuroIntervention, PharmacoEconomics); ~75 conference abstracts; editor of 50 Studies Every Hospitalist Should Know (Oxford University Press, 2026). Co-editor, Value in Health (2008–2017); Associate Editor, PLOS Digital Health (2022–); Editorial Board, PharmacoEconomics (2017–). Full publication list available on request.
